This map is intended for only Henry County Board of Commissioners use. Henry County does not assume any responsibility for the use of this map by other persons or entities. Although the information is believed to be accurate within the GIS database of Henry County and that is the only official copy. Only a copy signed by the GIS coordinator and notarized contains official data as of the date signed. The data sources included scanned USGS 7.5 Minute quad and Henry County cadastral and road information. This map is only a representation of the current county road inventory for Henry County. The official county road inventory is kept by the Henry County Board of Commissioners. Any discrepancies between this map and the official county road inventory by that department. Henry County does not assume any responsibility for the use of the data on this map such as drainage features, railroad alignments, etc.
