Non-Subscribers may only receive the county-wide parcel layer after it has the attributes from the Property Valuation Administrator's Office stripped out.

* Some utility agencies have strict requirements regarding the distribution of utility layers. Any requests for these layers must be accompanied with FORM-5: GIS Utility Data Request.

Delivery Metho	d:
----------------	----

Email CD (Pickup) CD (Mail) DVD (Pickup) DVD (Mail)

Data Format:

The Boone County GIS standard publishing format is ESRI Shapefile. Requested data will be delivered in this standard format, unless specified below. Non-standard formats will incur an additional processing fee of \$10.00 per order:

CAD Drawing Exchange File (DXF)
