

City of Manchester, New Hampshire GIS Information Release Acknowledgment

The undersigned, being in receipt of electronic copies of GIS information of the City of Manchester ("the City") stored in electronic data form, understands and hereby recognizes and acknowledges that:

- (a) The data being delivered does not constitute a genuine copy of public records of the City so that the City has not made and does not make any representation or warranty, express or implied, about the truth, accuracy or margin of error of any information or facts contained in or derivable from such data;
- (b) The data being delivered has been compiled, arranged and formatted by the City solely for the future limited purpose of particular municipal functions, and the City makes no representation or warranty, express or implied as to its accuracy, appropriateness, or suitability for any other purpose, use or application; and
- (c) The City has not made, and does not make, any representation or warranty, express or implied, about whether the electronic data being delivered will, now or at any time in the future, constitute a genuine copy of public records of the City when it is read by, run upon, translated into, modified by, manipulated by or amalgamated with any particular electronic hardware, software, system, program, application or data base.

The undersigned agrees that the GIS information remains the property of the City. As the City owns and sells GIS Information, the undersigned shall not share or sell the GIS information with any other person, company, or entity (including but not limited to subsidiaries, business units, business partners, contractors, and subcontractors) or use it for any other purpose, without the prior written permission of the City of Manchester, New Hampshire.

If representing a company or similar entity, the undersigned certifies that (a) they are authorized to enter into binding agreements on behalf of that company or entity and (b) they are responsible for enforcing all terms of this agreement within that company or entity, and with all other entities that the GIS data may be shared with.

The undersigned further agrees that all terms of this agreement shall be binding on the assigns and successors of the undersigned, and their company/entity.
