

During its February 21, 2006 meeting, the Guilford County Board of Education approved redistricting changes that affect Foust, Frazier, Peck and Wiley Elementary Schools. *Please note that Murphey Traditional Academy will maintain its current attendance zone (there will be no change).*

- Peck Elementary will gain students from the Foust area west of Freeman Mill Road
- Wiley will gain the Foust area north of and including Garrett Street and the Foust area east of Randleman Road
- Foust will gain the Frazier area west and north of Business I-85 and north of Long Street including streets off of Creek Ridge Road. Foust would lose the area east of Randleman Road and west of Freeman Mill Road
