Christy Willman  
Executive Director of Community Relations  
Lamar Consolidated ISD  
3911 Avenue I  
Rosenburg, TX 77471

5/4/2010

Dear Ms. Rosenburg,

I write to request digital Geographic Information System (GIS) files delineating elementary, middle and high school attendance boundaries for Lamar Community I.S.D.

Lamar posts digital images (i.e., PDF files) of its attendance boundaries on its web page and these images were created by Population Survey Analysts (PASA) using GIS software called "ArcGIS" or "ArcView" and the format of the files is a "shapefile" or "geodatabase." It may be that someone in your district maintains these digital files and they can email them to me at [sjsapo@wm.edu](mailto:sjsapo@wm.edu).

I also note that PASA will have the digital GIS files as well. The contact person at PASA who likely maintains your district's digital GIS files is Stacey Tepera. If no one in your district has a copy of the digital GIS files, can you please authorize Ms. Tepera to send the files to me via email (at [sjsapo@wm.edu](mailto:sjsapo@wm.edu))? You may also obtain the digital GIS files from Ms. Tepera and send them to me directly.

If you have any questions please do not hesitate to contact me.

Most Sincerely,

Salvatore Saporito
