Re: Public Records Request regarding School Boundary Maps

Dear Ms. Born:

This is the final response of Edmonds School District to your request, received via email on July 21, 2010 and clarified on August 3, 2010, seeking the following information:

“. . . computerized school attendance boundary maps . . . [with] better imagery or an additional list of streets that would also be very helpful.”

Attached to the email providing this letter are electronic files in pdf format of the school boundary maps for each school in Edmonds School District. Because no paper copies were provided in response to your request there is no fee associated with this public records response.

If you have questions, please feel free to email me at millerm@edmonds.wednet.edu.

Very truly yours,

A handwritten signature in cursive script that reads "Marla S. Miller".
