TRANSPORTATION DEPARTMENT

In an effort to assist parents with their student transportation needs, the Transportation Department will allow students who do not live within the transportable boundary for their school to access existing school bus stops for the school of attendance, if their parents give written assurance that children will be safely delivered and picked up by their parents from these existing school bus stops. Because there may be hazardous streets between the child's home and the nearest active school bus stop, it must be understood by parents choosing to access such a school bus stop that they assume the full responsibility of providing a safe means of transportation to and from the assigned school bus stop. The Poway Unified School District transportation fee structure is applicable. In the event that a District school bus reaches maximum capacity, students given access to busing under these provisions will be the first to be removed applying the standard District reimbursement of fees schedule and after appropriate notice to parents/guardians is provided.

PARENT ACCEPTANCE OF RESPONSIBILITY:

I, _____, accept full responsibility for providing safe transportation for my child, _____, to AM Bus Stop # _____ located at _____ and from PM Bus Stop # _____ located at _____ for their school of attendance

_____. I understand that providing access to an existing school bus stop within the District's transportation program is my responsibility, as my child does not live within the established transportable boundary for the school of attendance.

HOW TO OBTAIN BUS PASSES

1. Mail or deliver completed application with payment to Poway Unified School District, Transportation Department FTS, 13626 Twin Peaks Road, Poway, California 92064-3098. All passes will be mailed to the home until August 14th, 2009. Starting August 15th, 2009 the passes will be mailed to the school sites.
2. Single ride fare shall be four dollars (\$4.00) per person. If you use cash to pay the bus driver, we advise that you have the exact amount as the drivers **do not carry change**. Single ride tickets may be purchased at the Transportation Department for four dollars (\$4.00) per ticket.
3. Special Education students whose Individual Education Programs require transportation services shall be issued free passes.

Note: Students enrolled in RSP and DIS are not eligible for Special Education transportation.
4. Foster children and children of families with income at or below the eligibility guideline shall be eligible, upon approved application, for free transportation if such students would otherwise be eligible for transportation services.
5. Possession of a current pass entitles a student to ride to and from the designated school and bus stop only on the assigned bus for grades K-8. Passes will not be recognized for transportation on any other bus than the bus for which the pass was issued. Reassignment to a different bus or a different stop, due to the change of address or personal preference, may be requested by submitting a written request, together with a \$10.00 fee, to the Director of Transportation. However, all decisions regarding assignments to buses and stops are at the sole discretion of the District. Middle school and High school students who possess a current pass, correct fare, or single-ride ticket, will also be eligible to ride the late afternoon or after-school activity buses at each location by presenting their current pass, fare, or single-ride ticket. However, not every bus stop is serviced by the activity buses. High school students may ride any regular bus that services their school.
6. Students bearing passes will be given priority on assigned buses. Transportation of other students will be on a space available basis only, including students who purchase single-ride tickets.
7. **Bus passes are considered the property of the District**, rented to the bearers, who are charged with custodial responsibility and are expected to safeguard them accordingly. The District assumes no responsibility for lost or stolen passes or tickets. Unreadable mutilated passes will be replaced upon the payment of a \$5.00 service charge. Lost or stolen passes will be replaced upon the payment of a \$10.00 service charge and after prior pass purchase has been verified. Replacement can be made at the school or at the Transportation Department. The service charge for the replacement of a missing pass is refundable if the missing pass is subsequently found and the replacement pass surrendered.
8. Prorated refunds will be made based on the date the **ORIGINAL bus pass is surrendered to the Transportation Department**, minus a \$10.00 service charge. **Replacement passes turned in for refund are worth \$10.00**. All refunds are subject to the provisions of Administrative Procedure 6.56.1.

**Starting immediately, passes can be purchased at the
Transportation Department from 7:30 a.m. to 4:30 p.m.**

To avoid waiting in line and parking problems, the best way to obtain passes is to mail
your applications as soon as possible, as noted in #1 above.

GENERAL INFORMATION

WHICH BUS TO BOARD

K-8 must ride only the bus to which they have been assigned. Riding an unassigned bus, or boarding or leaving a bus at an unassigned stop may only be done by presenting the driver with dated written permission from the parent, endorsed by the school official. Students must be at the bus stop before the bus arrives, but no more than five minutes before departure time. High school students may ride any bus that services their school.

LEAVING THE BUS AFTER BOARDING AT A SCHOOL SITE

Once a student has boarded the school bus at a school site, he or she may not leave the bus, at the school site, unless escorted by a school official.

SCHOOL BUS DEPARTURES

For the safety of all students and to avoid children chasing after a moving bus, once a school bus has departed from the curb, at either the school site or bus stop, the driver is not permitted to stop the bus to board late students.

WHEN THE BUS DOESN'T SHOW UP ON TIME

If you are reasonably sure that the delay is not due to weather conditions, please allow at least 15 minutes before leaving the bus stop. School buses have to endure the same rush hour traffic conditions that plague commuters. A traffic snarl, traffic accident, minimum days, or a longer than scheduled loading at a previous school bus stop can easily throw your bus 10-15 minutes off schedule.

If at the end of 15 minutes, your bus still has not arrived, you may wish to call the Transportation Department at (858) 679-2535.

On extremely foggy or rainy days the buses will run late. Please be patient and don't worry. The school will be notified of the late arrival.

MUST BE MET/KINDERGARTEN STUDENT

If you desire your Kindergarten student not to be released at the bus stop unless an adult is there to receive them, a letter MUST be on file in the Transportation Department so stating. If, once a letter is on file, your child is not met, the driver will return your child to school.

TWO-WAY COMMUNICATION

For student safety and route control each bus is equipped with a two-way radio. The Transportation Department is in constant communication with each bus on its scheduled runs.

If there is a problem, such as a late bus or perhaps a student riding the wrong bus, the Transportation Department will be able to contact the bus and make the necessary corrections.

LOST ITEMS ON BUSES

If a driver finds a lost item on a bus, they will attempt to return the item to the student the next school day, as we do not have a Lost & Found. However, wallets, cell phones, musical instruments and purses will be returned to the Transportation office.

FIELD TRIPS

General rules of conduct applicable to regular home-school/school-home transportation also apply to educational, athletic, and other trips. A faculty member or parent is required on each bus for each field trip.

ATHLETIC BUS TRIPS

Conduct and behavior are to remain the same as on a home-to-school ride. While teachers and chaperones are expected to maintain appropriate conduct of the students, the bus driver is the ultimate authority aboard the bus at all times.

Regardless of materials, cleats may not be worn aboard buses.

No food, drinks, gum, candy, sunflower seeds, etc. are to be brought aboard the buses. Food items may be loaded in the baggage compartment.

Dangerous objects such as starting guns, shot puts and other loose projectiles will only be transported if the items can be safely stored either in a baggage area or stowed within a seating compartment. Other equipment must be loaded, so as not to protrude into exit areas, aisle or stepwell of the bus. Items cannot be transported in the aisles or be carried where they could block an emergency exit.

BUS DISCIPLINE PROCEDURES (Excerpt from Administrative Procedure 6.51.3)

Violation of the posted rules and regulations may result in the loss of bus riding privileges. A student who rides the bus in the Poway Unified School District is disciplined in accordance with the statutes of the State of California and will be subject to disciplinary actions for violation of any of the rules of student discipline in the Poway Unified School District, as outlined in Board Policies and Administrative Procedures 5.8 and 5.9.

Disciplinarians shall normally apply progressive discipline procedures with:

1. The first offense, a warning;
2. The second, five school days of bus-riding suspension;
3. The third, ten school days of bus-riding suspension;
4. The fourth, forty school days of bus-riding suspension;
5. The fifth, suspension from the bus for the remainder of the school year.

However, disciplinarians shall have the latitude to increase or decrease the normal corrective measure, within reason, considering the student's age, frequency and severity of offense, and other patterns of behavior. In cases where the disciplinarian determines that the student behavior causes a danger to persons or property, the student may be immediately suspended from ridership.

BUS PASS VIOLATIONS (Excerpt from Administrative Procedure 6.56.2)

The following standards of progressive actions regarding abuse/misuse of school bus ridership authorization are established, and are separate from other disciplinary measures:

1. Using, or attempting to use, an expired pass:
 - a. First Offense: A warning referral shall be issued.
 - b. Second Offense: Bus privileges shall be suspended for one week.
 - c. Third Offense: Bus privileges shall be suspended for two weeks.
 - d. Fourth Offense: Bus privileges shall be suspended for the remainder of the school year.
2. Using, or attempting to use, a stolen, found or forged pass or a fake single-ride ticket; borrowing a bus pass, or altering one's own temporary or permanent pass:
 - a. First Offense: A warning referral shall be issued.
 - b. Second Offense: Bus privileges shall be suspended for two weeks.
 - c. Third Offense: Bus privileges shall be suspended for the remainder of the school year.
3. Loaning a bus pass:
 - a. First Offense: The pass will be confiscated and retained in the Transportation Office until a parent and the student make an appointment to reclaim the pass and a warning referral shall be issued.
 - b. Second Offense: Bus riding privileges shall be suspended for the remainder of the school year. A prorated refund will be issued to the parent.

Possession of any pass, not the property of the possessor, shall constitute prima facie evidence of improper possession. Use or attempt to use the pass, shall be reason to exercise disciplinary measures as in paragraph 2 or 3 above.

VIDEO CAMERAS

Most of our school buses are equipped with video cameras to record student behavior. District Administrative Procedure 6.51.10 outlines how these cameras will be used.

STUDENT SAFETY AROUND THE SCHOOL BUS

Please review the following safety diagram and the safety rules on the back of this page with your child so that she or he is aware of the dangerous blind spots around a school bus, how to walk safely to the school bus stop and how to safely cross the street with the assistance of the school bus driver.

DANGER ZONES

**POWAY UNIFIED SCHOOL DISTRICT
Transportation Department**

PEDESTRIAN SAFETY RULES

1. Cross only at street corners so drivers can see you.
2. Always use a crosswalk when available, but make sure the traffic sees you and has stopped before stepping off the curb.
3. At intersections with traffic signals, use the push button when possible and cross when the “walk” signal is displayed.
4. Look in all directions for cars, pedestrians and bicycles before crossing.
5. While crossing watch for cars that are turning left or right who may not see you.
6. Never cross the street from between parked cars - drivers can't see you.
7. Walk on the sidewalk. If there are no sidewalks, walk on the left side of the road, facing traffic so you can see oncoming traffic.
8. Wear or carry something white at night to help drivers see you.
9. Always walk in an orderly manner. Avoid running, pushing and playing near streets and vehicles.

**ESCORTED CROSSOVER INSTRUCTIONS FOR
KINDERGARTEN THROUGH 12TH GRADE**

1. Wait until instructed by the school bus driver that it is safe to cross.
2. When directed by the school bus driver, students must cross between the bus and the school bus driver directly to the opposite side of the street.
3. Students must also be escorted across the street in the morning if they arrive at the stop after the bus has arrived. The student (or students) must wait until all the other students have boarded the bus and the driver can properly shut down the vehicle to do the escorted crossover. VC 22112

SCHOOL BUS SAFETY RULES

We have adopted the format of the six pillars from the Character Counts Program to define the behavior we expect from students on school buses. Please take the time to review these rules with your children and impart to them the safety issues behind each of these expectations and how important it is for them to not distract the school bus driver while the bus is in motion.
