Dear Ms. Bachtle,

I am requesting Digital Geographic Information System files of elementary, middle and high school attendance boundaries for West Chester Area School in Chester County, PA for the 2009-2010 school year. While I have obtained PDF images of the boundaries from your web site, this information is not adequate for my needs.

I have confirmed with Mike Hott that the Chester County GIS created the digital GIS files for West Chester Area School District. Please have him either forward the Digital GIS files to me directly via email or have him forward them to your office and then you can email them to me.

I can accept files via email as a shapefile or a geodatabase via email.

Regards,

Sal

Sincerely,

Salvatore Saporito
