MIAMI-DADE COUNTY PUBLIC SCHOOLS

FEEDER PATTERNS

2009-2010

The following pages reflect the school or schools where students will transfer upon completing elementary and middle school. The schools are listed by Region Centers: Regional Centers I,II,III,IV &V. Please note that an elementary school may feed into more than one middle school, and the same holds true for middle schools feeding into senior high schools.

Therefore, in order to determine the exact school to which an individual student will be transferred, each Region Center will receive large, area maps (Elementary, Middle and Senior) reflecting school attendance boundary lines.
