Radnor Township School District Boundaries

Radnor Elementary School Boundary

Follow the Delaware County boundary from the northeastern boundary of the Valley Forge Military Academy, adjacent to Cabrini College, to the northern corner boundary of the township located near Highview Drive.

Follow the township boundary along the center of County Line Road to the intersection of County Line and Roberts roads. The boundary continues down the center of Roberts Road to a point on the west side of Presbyterian Children's Village. It then goes north separating the area between Portledge Drive and Applegate Lane (Applegate Lane is included in the Radnor Elementary Boundary) to the intersection of Yorkshire and Wyldhaven.

The boundary then goes north past the far end of Hollybush Road and west to the Blue Route (Rte 476). Hollybush, Marlbridge and Brandymede are not in the Radnor Elementary Boundary. It then goes north following the Blue Route (Route 476) to the point where Conestoga Road meets Route 320.

The boundary then goes west down the center of Conestoga Road to the area just west of South Radnor Chester Road, continuing to Lancaster Avenue. (The homes on both sides of Radnor Chester Road are within the Radnor Elementary Boundary, but Sinkler Road homes are not.)

Continuing west along the center of Lancaster Avenue to the intersection of Chamounix Road and Lancaster Avenue (Cambria Court homes are in the Radnor Elementary School boundary), the boundary continues along the center of Chamounix Road to St. Davids Avenue.

From the intersection of Chamounix Road and St. Davids Avenue, the boundary continues behind the homes on the west side of Chamounix Road to the intersection of Aberdeen Terrace and Chamounix Road. (The homes on Chamounix Circle are in the Radnor Elementary boundary; the homes on Aberdeen Terrace are not.)

From Aberdeen Terrace and Chamounix Road, the boundary again continues behind the homes on the west side of Chamounix Road to the intersection of Paul Road. The boundary continues down the center of Paul Road and proceeds from the point at the intersection of Paul Road and Eagle Road to the starting point between Valley Forge Military Academy and Cabrini College.
