There will be a requested fee of \$15.00 that will serve as a general materials and supplementary educational items fee. In addition to this amount, consumable supply lists that come from the teachers at each grade level should not exceed \$25.00. Each school will be responsible for the distribution of these lists by grade level.

***We regret the necessity for this expenditure but know that you share our desire for our students to have items needed to maximize their educational opportunity. You are encouraged to ask how these fees are spent by your child's teacher.***

*Charges for 1/2 credit courses shall be 1/2 the amount listed above. Fee refunds are available upon request provided the class is dropped and/or student's transfer/withdrawal is accomplished before the end of the first grading period per term (excluding expulsion, suspension, or transfer to MAP Academy.)*
