Williamsburg, VA 23185

Dear Ms. Christmas:

This letter acknowledges the Centralia School District's receipt of your request for public records related to items listed in your letter dated February 16, 2011. Your request pertained to three specific items associated with school attendance boundaries/zones/areas for Centralia District Schools.

- 1) 2009-2010 school year GIS data
- 2) PDF maps
- 3) Street index file containing street listing and the schools that serve each street

Pursuant to RCW 42.56.520, the District can provide information pertaining to your request.

First of all, we do not have a record pertaining to GIS data. Second, I have enclosed PDF maps for all seven of our school sites. Third, I have enclosed the Centralia School District Transportation Street/Route Reference Sheet that lists the street, route number, and school served by our pupil transportation department.

If you have any questions related to the District's response, please contact me at (360) 330-7600 or via email at sbodnar@centralia.wednet.edu.

Sincerely,

A handwritten signature in black ink that reads "Steve J. Bodnar".

This map was compiled by Lewis County Geographic Information Services. The base map was developed by the Washington State Department of Natural Resources by scanning and digitizing United States Geological Survey 1:24,000 quadrangle maps. The accuracy of the map has not been verified, and it should not be used in any application where high accuracy or precise measurements should be brought to the attention of Lewis County GIS.
