Ms. Caverly:

The attached document delineates all streets within the district and both the elementary schools to which they are assigned as well as the middle schools for the 2009-2010 school year. The key for the elementary and middle school designations on the document are as follow:

DA = Davis Elementary School

LE = Leary Elementary School

LO = Longstreth Elementary School

MC = McDonald Elementary School

ST = Stackpole Elementary School

WD = Willow Dale Elementary School

K = Klinger Middle School

LC = Log College Middle School

All streets feed to William Tennent High School, as it is the only high school in the district.
