

# To Empower All Students for the Choices and Challenges of the Twenty-first Century

**Double Check Attendance Boundaries**  
 Students should attend the high school in the attendance area of their residence. This is to help ensure a balance of enrollment at the high schools in the district. Attendance variances may be granted upon request and completion of an Open Enrollment form. All students must first register at the school in their attendance area. Please call your high school with any questions.

## Glendale Union High School District - School Locations
